PROFILE

Motivated and detail-oriented Bachelor of Science in Computer Science graduate from Metro Dumaguete College, Inc., with hands-on experience in programming, software development, and analytics. Proficient in Python, Java, and C++, with a proven track record of developing impactful solutions, including a web application that streamlined inventory management. Gained professional experience during an internship at Zimplistic Pte Ltd, collaborating on scalable systems that enhanced operational efficiency. Passionate about leveraging technology to drive meaningful change, with a particular interest in application development. Committed to contributing to Accenture's vision of innovation, sustainability, and professional excellence while delivering client-focused solutions.
